

Web based Interactive Kiosk Software

- Display existing website as product catalog / company guide, etc. Up and running in minutes
- Quick start-up and low cost, as special software does not normally need to be developed
- Promote on-line stores at existing brick & mortar stores.
- Public users can access designated websites only. No access to Windows desktop. Prevents unauthorised changes. Reset display to home page or screen saver after period of inactivity.
- Easy to use – On-screen keyboard, zoom-in, zoom-out, portrait and landscape orientations, etc.
- Optional usage analysis (most touched link, time of day frequent usage, etc.).
- Free trial version available for download
